Dear Dr Beasley

Commission for Health Improvement Interview

Thank-you for your letter to Dr Luxton, the doctor member of the CHI Investigation team. Dr Luxton has forwarded me a copy and asked me to reply on his behalf.

Firstly, thank-you very much for your positive comments regarding your interview. The team tried hard to make each interview as comfortable as possible.

Thank-you also for your breakdown of Healthcall's response requests. At this stage I do not need any more detailed information following your more in depth piece of work, but will give you a call if this changes.

Once again, thank-you for your comments and additional information.

Yours sincerely

Julie Miller
Investigations Manager
