10 Both the trust and the local CHC described a good working
11 relationship. The CHC however regretted that their
12 resources had, since November 2000, prevented them from
13 offering the level of advice and active support to trust
14 complainants they would have wished.

21 *Clinical Governance Structures*

22 The Clinical Governance Panel was supported by a Clinical
23 Governance Reference Group, whose membership included
24 representatives from each clinical service, professional
25 group, non-executive directors and the chair of the
26 Community Health Council. Each clinical service also had its
27 own Clinical Governance Committee.
