10am

Mrs Mckenize rang with regards to a medical file relating to **Code A** mother of **Code A**

- Drugs information for Mrs Richards was found in **Code A** file
- There are other problems with the file such as the write up of Mrs Richard death was written into **Code A** file
- The staff nurse on the ward at the time was informed by the relatives that Mrs Richard died. Mrs Mckenzie argues that the staff were not busy.

10.40am

Mrs Mckenize rang with regards to Mrs Bulbeck

- Asked if we had looked at Mulberry Ward and patients with dementia treated with diamorphine

And asked for the date of the report to be published.
