Dear Liz,

**RE: EVALUATION OF GOSPORT WAR MEMORIAL HOSPITAL
INVESTIGATION**

Following the evaluation exercise of CHI's first six published investigation reports; the investigation team is currently evaluating the Gosport War Memorial Hospital Investigation published on 3 July 2002.

A number of questionnaires for key people involved in the process have been developed for the investigation team, stakeholders, trust staff, the Regional Office/NAW and the Investigations Programme Board. The outcome of the questionnaires will form the basis for an evaluation meeting in the near future for the investigation team, which will in turn inform a paper for the Commission.

If you could complete the questionnaire and return to me by **Monday 5 August 2002** in the enclosed freepost envelope, I would be grateful.

If you would like to discuss any of the issues raised in the questionnaire or the evaluation process as a whole, I would be very happy to do so.

Kind regards,

Rosie Newbigging
