Dear Mrs Ward

Evaluation into the Gosport War Memorial Hospital Investigation

Your name has been recommended to me as a trust contact by Kellie Rehill, Investigation Coordinator. I would be very grateful if you could distribute these evaluation forms. The forms are being sent to a selection of trust employees who were interviewed during the investigation.

Enclosed with the evaluation forms are freepost envelopes for the return of the form to CHI.

Thank –you for your help

Yours sincerely

Claire Harris
Assistant Investigation Coordinator
