Dear Mrs Cameron

**Evaluation into the Gosport War Memorial
Hospital Investigation**

Your name has been recommended to me by Kellie Rehill, Investigation Coordinator, as a trust contact. I would be very grateful if you could distribute these evaluation forms. The forms are being sent to a selection of trust employees who were interviewed during the investigation.

Enclosed with the evaluation forms are freepost envelopes for the return of the form to CHI.

Thank -you for your help

Yours sincerely

Claire Harris
Assistant Investigation Coordinator
