Dear Mike

RE: CHI INVESTIGATION INTO GOSPORT WAR MEMORIAL HOSPITAL

As previously discussed please find enclosed a draft copy of the CHI investigation report, including appendices.

You will see on page seven that there are still some gaps in and around the knowledge of the roles of both the health authority and the South East Regional Office, which will be clarified following the factual accuracy checking process.

I would be grateful if you could get any annotated factual accuracy comments back to me by **Monday 27 May** at the latest.

Many thanks for your help.

Regards.

Julie Miller
Investigations Manager
