#CODED7

Present - Consultant Anthea Lord.

Staff Nurse

OT - started Monday - on Basic Grade Rotation

Physio

#ENDCODE

#CODED7

Staff nurse led and outlined cases to diagnosis.

#ENDCODE

#CODEC4

Social/home situation mentioned briefly. Overall planning process superficial no discharge/review dates set, no record kept of actions, no one taking formal note. PT and Consultant did not even have a pen or paper. Anthea Lord seemed passable.

#ENDCODE

#CODEG1

No patients/relatives present.

#ENDCODE

#CODEG2

No patients/relatives present.

#ENDCODE

#CODED4

Follow up:- those patients already in receipt of OT appeared to have OT from elsewhere - both QA and Haslar mentioned need to check this out with Therapists. Please see other notes elsewhere that outline OT structure.

#ENDCODE

#CODEC6

Saw ginger/white cat on ward - obviously at home. Colleague reported that cat had been sitting on a patient's lap when we arrived at the ward.
