Dear Mary

I am writing to confirm early arrangements for the investigation into the Gosport War Memorial Hospital. Once again thank you for agreeing to participate in this investigation.

Your colleagues on the team are:

**Mary Parkinson** (Lay member)  
Member of Age Concern, England

**Maureen Morgan** (Former Nurse  
Director and  
Acting  
Chief Executive)  
Independent Consultant

**Jennifer Wenbourne** (Allied Health  
Professional) Independent  
Occupational Therapist

**Dr Tony Luxton** (Consultant in  
elderly medicine) Lifespan  
Healthcare NHS Trust

**Alan Carpenter** (NHS Manager  
member)  
Chief Executive, Somerset Coast  
Primary Care Trust

As you are aware, Kellie and I will be working with you throughout and Liz Fradd, Director of Nursing, while not a member of the Investigation Team will also join us on our briefing day and will meet with the team during the week of the Investigation.

#### The Team Briefing Day

As we discussed there will be a briefing day to be held in the Commission offices at Finsbury Tower, Bunhill Row. The aim of the day is to provide a brief introduction to the role and purpose of the Commission but the main focus will be on planning the Investigation. The day has been provisionally arranged for the 3<sup>rd</sup> December 2001 from 10.00am-4.00pm. However, as not everyone is available, other dates are suggested, please see the attached sheet and reply to Kellie by Friday 2nd November. CHI will make arrangements for accommodation (If required) and travel for the meeting, which Kellie will contact you about shortly, when we have finalised the date.

#### Document Analysis

We shall be meeting with the Chief Executive and colleagues at the Trust on 6<sup>th</sup> November 2001 to discuss the start up arrangements. A scoping exercise is already

underway to inform the investigation, with support from CHI's analysts. I will forward an analysis of the issues and background information arising out of the scoping to you prior to the December meeting.

#### **Stakeholder Meeting**

I have also mentioned the stakeholder meetings, which we are holding as part of the investigation process and these are planned for 21<sup>st</sup>, 22<sup>nd</sup> and 23<sup>rd</sup> November 2001. The purpose of these meetings is:

- i. to provide an opportunity for people working in or with the local NHS, or with an interest in the local NHS, to comment on issues they believe are relevant to the investigation;
- ii. to better understand issues about the quality of service in the context of the local NHS;
- iii. to inform the discussions in planning the investigations;
- iv. to publicise the work of the Investigation Team openly and positively.

I am canvassing dates from you all for this work and would welcome your involvement, but I do appreciate that other commitments may preclude your participating. I will, however, come back to you all confirming what arrangements have been made.

#### **Site Visit**

We plan to hold the Site Investigation during the week of 7<sup>th</sup> January 2002, and will meet over dinner on the evening of 6<sup>th</sup> January 2002. Our goal will be to finish as early as we can on 11<sup>th</sup> January 2002, but we will have a clearer idea of the timing following our Team briefing meeting (date to be confirmed).

#### **Further Information**

We will be writing to you more formally about the terms of your appointment to the Investigation Team, e.g. recharging salary costs or fees payable, out of pocket expenses, declaration of interest, etc. In the meantime, I know that you will understand the sensitivities around the Investigation, and that any discussion, including with the media, should only be through the Commission.

We look forward to working with you and to meeting you soon. Further to this letter, please find enclosed; (i) Term of Reference, (ii) Press releases and (iii) Background information that you might find interesting.

In the meantime if you require additional information I will be your main contact and can be reached on 020 7448 9323 or by email on [julie.miller@chi.nhs.uk](mailto:julie.miller@chi.nhs.uk) If I am not available Kellie will be very happy to assist in any way that she can and is contactable on 020 7448 9420 or by email on [kellie-anne.rehill@chi.nhs.uk](mailto:kellie-anne.rehill@chi.nhs.uk)
