

#Text Jerry Clasby- Clinical manager- Friday  
#CODEB1  
Acute administration on mental Health ward-Collingwood  
Accepted her and warmed well  
From Knowles Hospital 6years ago when it closed  
#ENDCODE  
#CODEB3  
40 bedded admission ward-Gosport & Fareham-bigger catchment area  
#ENDCODE  
#CODED1  
4 consultants (elderly mental Health)  
Turnover - average 1 of 5 every 6-8 weeks  
Bed blocking a problem  
Consultant referral-?  
#ENDCODE  
#CODED1  
Team of nurses-split into two teams  
Lost three E Grades-response from trust  
One trained nurse whole ward  
On night-requested beds reduced-refused  
Agencies-budget over target  
High staff turnover-yes whole year  
#ENDCODE  
#CODED1  
Tried to attract with an open package  
#ENDCODE  
#CODENC  
HCSW-some have done NVQ's -get them very well trained and so often do Nurse Training  
Not done an ALERT course- it is relevant but not done  
#ENDCODE  
#CODEF1  
Rapid tranquillisation-part of team  
Gone to Clinical Governance group to develop draft copy which involve Lorazapan,  
acuphase.  
#ENDCODE  
#CODEF1  
Pain management not a problem  
#ENDCODE  
#CODEG1  
Mental health always included relatives and Patients  
#ENDCODE  
#CODENC  
Result because concern medical wards too early  
#ENDCODE  
#CODED6  
No Doctors out of hours  
Use Health call- variable- mental health problems- call Meadows- on call mental health  
Doctors.  
Use own judgement  
#ENDCODE  
#CODENC  
Have dual trained nurses on ward sometimes  
#ENDCODE

#CODENC

4 consultants and staff X3 staff grade doctors and one part-time

#ENDCODE

#CODED7

MDT- all ward rounds- ward clerk also attends MDT

Monthly reflective practice meeting and appointment social worker to ward.

#ENDCODE

#CODEG7

MDT- all ward rounds- ward clerk also attends MDT

Monthly reflective practice meeting and appointment social worker to ward

#ENDCODE

#CODED8

MDT- all ward rounds- ward clerk also attends MDT

Monthly reflective practice meeting and appointment social worker to ward

#ENDCODE

#CODENC

works well with resources

#ENDCODE

#CODENC

Chaplain visits weekly-takes an interest

Sees terminally ill people

Not involved in care plans

#ENDCODE

#CODEH1

Do get occasional terminal ill patient

Palliative care medicine-do involve MDT and family

#ENDCODE

#CODEH2

Do get occasional terminal ill patient

Palliative care medicine-do involve MDT and family

#ENDCODE

#CODED7

Do get occasional terminal ill patient

Palliative care medicine-do involve MDT and family

#ENDCODE

#CODEF1

Use syringe drivers

Diamorphine -diazapan

have brought them off and got better

#ENDCODE

#CODEF3

use syringe drivers

diamorphine -diazepam

have brought them off and got better

#ENDCODE

#CODENC

Healthcall anticipatory prescribing

Get doc in, theoretically

Over weekend would use healthcall

#ENDCODE

#CODED7

other trained staff on the wards do offer assistance and advice- working relationship very good.

#ENDCODE  
#CODENC  
anything like to improve  
and trained staff  
better ground floor  
well off equipment  
Medicine and pressure releavers reason patient get and complex.  
Lack of financial supply, money etc are part of hospital  
#ENDCODE  
#CODENC  
Mulberry Ward is? Royal Collingwood  
#ENDCODE  
#CODENC  
Talk of H Grade to work on other wards  
#ENDCODE  
#CODENC  
Disengage with this and 'they'  
#ENDCODE  
#CODEJ2  
RM- fills in umpteen-knows will not be given more staff.  
#ENDCODE  
#CODED6  
One trained staff only at night  
Don't know what else to do  
Full capacity and reduced staffing  
#ENDCODE  
#CODENC  
Line Manager Julliete diamond  
St James and Alistair Mc Naughton  
Very recent change  
Southeast Hants  
V fragmented  
#ENDCODE  
#CODENC  
are kept updated on whats happening by trust  
#ENDCODE
