Dear Alan

GMC request for CHI Investigation Information

I don't think we met during the CHI investigation earlier this year, which I managed for CHI. Fiona Cameron has kindly forwarded your contact details.

As a courtesy, I wanted to let you know that the solicitors acting for the GMC have requested a number of the documents provided by the trust which were referenced in Appendix A of the report, please find attached.

The GMC have also indicated that they may wish to receive copies of staff interview notes made by CHI during the site visit week. The GMC have agreed that CHI makes the initial contact to those staff and stakeholders whose interview notes the GMC requested. I will let you see a draft of any letter, which will go out to staff in advance. My aim in making the first contact with any staff whose notes the GMC may wish to see is to minimise any anxiety and will be happy to take your guidance on this.

Please do call me to discuss further if you wish.

Regards

Julie Miller
Investigations Manager

C.c Liz Fradd, Nurse Director, CHI
