### **Purpose of Meeting**

For each organisation to understand each others duties and responsibilities, the objective of each investigation and how they would be undertaken.

### **Police position**

Have spoken to all staff who are mentioned in 'dossier' submitted by nursing staff. 62 families have concerns re treatment at GWMH

Have commissioned an expert panel, willing to share material gathered to date.

### **Strategic Health Authority Position**

Essentially, trying to find out what the managers now and what did they do about it.

Have a term of reference, no formal announcement

Ed Masters & Mike Taylor have been commissioned jointly by Fareham and Gosport PCT (which manages Gosport War Memorial Hospital) and the Strategic Health Authority.

### **CHI Position**

Explained statutory function to investigate and explained the difference between Gosport 1 and Gosport 2.

Understand ToR has been agreed and letter of instruction on its way to CHI from Ministers.

**Conclusion**

All welcomed meeting and established willingness to work collaboratively where possible.

CHI & SHA to prepare statements outlining methodology of investigations to the police.

Police facilitate a meeting as soon as possible with CPS.
