Dear Mr **Code A**

Gosport War Memorial Hospital Investigation

Thank-you for your letter dated 30 October, please accept my apologies for not replying sooner.

I would like to reassure you that CHI did seek both the medical and pharmacological advice during this investigation. As well as the BNF, CHI also considered the Trust's own prescribing guidelines.

Yours sincerely

Liz Fradd
Director of Nursing

c.c Julie Miller, CHI Investigation Manager
Dr Tony Luxton
Professor Gary Ford
