4. Other Work in the Trust that Supports 2. and 3. above

- The gerontological nursing programme (already running in Elderly Medicine), the aim of which is to develop nursing practice in relation to older people, commences this month (September 2001) across community hospitals, including Gosport War Memorial Hospital.
- The appointment of an H grade nurse has secured dedicated nurse specialist time to work closely with clinical managers in Gosport War Memorial Hospital on improving nursing practice.

5. Monitoring Progress

- Progress against this plan will be monitored quarterly through the Trust's divisional review system.
