Fiona

[Code A] is happy to do what he can to help on 4th. Have told him we're working within 2-4pm, does that sound ok. If you're able to email him the questions from yesterday he would appreciate it; needs to go through his external email address which is:

[Code A]

If you need to speak to him about this, his no is [Code A] although he'll be off between Xmas and new year.

Thanks

David
