Further to our telephone conversation, Dr David Jarrett, Lead Consultant for Elderly Medicine, telephone number **Code A** would be happy to meet you, to discuss pain management, the role of the doctor, involvement of relatives etc, if that would be helpful.

Attached are (a) The Trust's policy for the assessment and management of pain; (b) prescription writing policy as promised. I am sure that a discussion with David would bring these to life much more effectively than I can!!
