## CHI investigation at Gosport War Memorial Hospital

### Terms of reference

In September 2001, the Commission for Health Improvement decided to undertake an investigation at Gosport War Memorial Hospital to look at the management, provision and quality of healthcare provided to older people. Full details of the investigation can be found in the terms of reference,

#### Press releases:

22.10.01: Investigation at Gosport War Memorial Hospital  
02.11.01: Local comment sought

The investigation will look at whether, since 1998, there had been a failure of trust systems to ensure good quality care for patients. The investigation will focus on in patient services for older people, in particular rehabilitation and continuing care.
