Drip stands - 4

Air beds ↑ 21 beds

Pressure relieving cushions ↑ 18

Armchairs wheel.

Ambulatory BP machine.

Suction machine x1

Infusion pumps.

Budget

Additional funding needed for:

Pharmacy

Medical supplies

Border line substances

increase beverages.

Review of medication supplies -- + increase Pharmacy.

General Ideas

Take slow progress patients from FSSR for second half of rehab. All discharge planning to be initiated following transfer to Daedalus.

* v. small - ↓ drop one bed.

upgrade old equip. room to office - needs window & telephone.
