Hi Elaine

Unfortunately I'm off sick with the norovirus and am going to have to cancel my trip to Hampshire. Hopefully I will be able to come the week after next instead.

I am really sorry for any inconvenience.

I would be grateful if you could let Betty know and she can pass on the information. I have had loads of messages from members of staff but have been too ill to return any of them.

I will call you later in the week once I'm back on my feet.

Thanks

Tamsin

Hi Tamsin

I have left a message today, sorry I was off sick yesterday. In case we miss each other again today –

Richard Samuel will be able to meet with you here at Regus House at 12 noon Wed 30th, I will be here too so we can catch up either before or afterwards, depending upon what time you arrive.

Betty Woodland is not able to come the Regus at all on Wednesday, however she would be able to meet you on Thursday or Friday. Her home number is 01329 315834, and she is happy for you to ring her direct to arrange a time.

Re visiting GWMH – as I mentioned the hospital is being redeveloped and the wards have been gutted and are just shells. Not sure if there would be any value in a visit, but if you feel there would be, please contact Toni Scammell, Matron, who will be able to show you round. Her number is **Code A**

I look forward to speaking with you later today and/or meeting with you tomorrow.

Kind regards, Elaine

Hi Elaine

Thanks for the update. I apologise for the delay in replying - I have been out of the office a lot of this week on another case.

I have sent a letter to Elizabeth Thomas via the Physiotherapy regulators and also am trying to track down Adele Bindloss through the RAF. I await further confirmation from these bodies.

I have already started to receive phonecalls from nurses - I have spoken to Shirley Hallmann this afternoon and am meeting with her next week.

I am now flying down to Southampton on Wednesday morning and would be available to meet with you/Richard any time after 10:45 that is convenient for you.

Would Betty Woodland be able to attend the trust HQ on that day to meet with me also?

I will be in the area for Wednesday, Thursday and Friday and currently am free to meet other witnesses on Thursday and Friday afternoons. The time is booking up fast and each witness will take some time, however I can always make another trip down.

Have you got any further with the possibility of me going to GWMH?

I am out of the office on leave tomorrow but will be in on Monday so hopefully we can discuss matters then.

Thanks for all your help.

Just an update

We have not yet been able to get an address for the Physio, Elizabeth Thomas. She was not employed by Hampshire PCT or Portsmouth Hospitals NHS Trust. We think her name might be Elizabeth Bassett Thomas. Whether that is hyphenated we are not sure. There is also a possibility that she was employed by the MOD as she worked at the Royal Hospital Haslar. Perhaps the Physiotherapy regulating body could help.

The other name, Adele Bindloss, has drawn a complete blank. Perhaps the NMC can help with that.

The letters will be going out either today or tomorrow, once the Director of Human Resources has seen them.

Betty Woodland, RCN rep is contacting the 4 that you want to interview.

Have you a time in mind to meet with Richard and myself on 30th?

Kind regards, Elaine
