Hi Tamsin

I have left a message today, sorry I was off sick yesterday. In case we miss each other again today –

Richard Samuel will be able to meet with you here at Regus House at 12 noon Wed 30<sup>th</sup>, I will be here too so we can catch up either before or afterwards, depending upon what time you arrive.

[Code A] is not able to come the Regus at all on Wednesday, however she would be able to meet you on Thursday or Friday. Her home number is [Code A] and she is happy for you to ring her direct to arrange a time.

Re visiting GWMH – as I mentioned the hospital is being redeveloped and the wards have been gutted and are just shells. Not sure if there would be any value in a visit, but if you feel there would be, please contact Toni Scammell, Matron, who will be able to show you round. Her number is [Code A]  
 I look forward to speaking with you later today and/or meeting with you tomorrow.

*Kind regards, Elaine*

Hi Elaine

Thanks for the update. I apologise for the delay in replying - I have been out of the office a lot of this week on another case.

I have sent a letter to [Code A] via the Physiotherapy regulators and also am trying to track down [Code A] through the RAF. I await further confirmation from these bodies.

I have already started to receive phonecalls from nurses - I have spoken to Shirley Hallmann this afternoon and am meeting with her next week.

I am now flying down to Southampton on Wednesday morning and would be available to meet with you/Richard any time after 10:45 that is convenient for you.

Would  be able to attend the trust HQ on that day to meet with me also?

I will be in the area for Wednesday, Thursday and Friday and currently am free to meet other witnesses on Thursday and Friday afternoons. The time is booking up fast and each witness will take some time, however I can always make another trip down.

Have you got any further with the possibility of me going to GWMH?

I am out of the office on leave tomorrow but will be in on Monday so hopefully we can discuss matters then.

Thanks for all your help.

Tamsin

Just an update

We have not yet been able to get an address for the Physio,  She was not employed by Hampshire PCT or Portsmouth Hospitals NHS Trust. We think her name might be

Whether that is hyphenated we are not sure. There is also a possibility that she was

employed by the MOD as she worked at the Royal Hospital Haslar. Perhaps the Physiotherapy regulating body could help.

The other name, [Code A] has drawn a complete blank. Perhaps the NMC can help with that.

The letters will be going out either today or tomorrow, once the Director of Human Resources has seen them.

[Code A] RCN rep is contacting the 4 that you want to interview.

Have you a time in mind to meet with Richard and myself on 30<sup>th</sup>?
