Subject: Clinical Advice

Karen Woods, the convener in a request for an IRP, would like to take clinical advice with regard to a Gosport GP. Would you be happy to do this?

I have requested the relevant medical records.

Many thanks

I enclose a copy of a letter which I have today sent to Dr Grocock regarding the release of Code A medical notes. I have also e-mailed Dr David Melville, one of our clinical advisers, asking if he would look at these for you and answer your queries.

As soon as Dr Melville comes back with an agreement and the medical notes appear, I will then draft a letter for you to send to him. Hope this is in order.
