Dear Mrs Connolly,

**Code A**

Thank you for your letter Comp/007/2002 of 7 January 03 which, I regret to report is incorrect. My letter of 1 January 03 was indeed addressed to the Complaints Convenor but was not referring to the treatment and care of my father at Gosport War Memorial. This letter refers to the care provided by Dr Grocott as my father's GP i.e. in his capacity as an Independent Contractor.

My letter of 2 January 03 to your Chief Executive refers to the care of my father at Gosport War Memorial Hospital. I would be grateful for an acknowledgement of this correction to your records and confirmation that the Complaints Convenor is going to treat my two letters as separate Independent Review requests.

Yours sincerely,
