Subject: **Code A** complaint

Sorry Ann,

I didn't have a moment to call you today. Dr Rees tells me she's written to you with her opinions of the GP side of the **Code A** complaint. I want to talk this over with the lay chair. Can you fax me the letter on the number below when it arrives? Again, I'm out all day Thursday but I'll try to give you a ring from Southampton.

Best wishes,

Karen
