Dear Dr Hopkins

Cecil SEARLE b.13.4.21.
38 Stubbington Lane, Fareham, PO14 3PW

Your faxed referral on **Code A** that is dated 8 September has been passed onto me today from the Outpatient Appointments Office at St Mary's Hospital, Portsmouth. The reason for this delay has not been made known to me. The earliest appointment available would be in Dr Puliye's outpatient clinic Gosport War Memorial Hospital on the 19 January 2004.

I would be grateful if urgent referrals could please be sent to Gosport War Memorial Hospital direct. If this patient has already received an outpatient appointment elsewhere please let me know.

With best wishes,

Yours sincerely
