Dear Ian

**CHI Investigation GWMH – Recommendation 18**

Thank you for your letter dated 28 August 2003 which I received on my return from leave on Monday 8 September.

It is very pleasing to hear that annual appraisals are now in place for both consultant and non consultant medical staff working at Gosport War Memorial Hospital and particularly good to hear that informal feedback suggests communications with patients and colleagues are of a high order. Thank you for updating me.

Yours sincerely
