1. Apologies

Caroline Efthimiou	Ward Sister, Charles Ward, QAH
Pat Taylor	Senior Staff Nurse, Rembrandt Unit, St. Mary's Hospital

2. Pain Assessment and Rationale for Analgesia Chart

Action

This had been updated by Lyn Wedlake to reflect the group's comments.

- Further reviewed at meeting with some further changes
- Changes made to ensure an audit trail for the rationale for prescribing was clear
- Change logo to reflect the three Primary Care Trusts
- Lyn Wedlake to make the agreed changes and send out in yellow A3 paper **LW**

3. The Pilot

Agreed there needed to be a three-month pilot and the following areas will be used.

- Sultan Ward – Gosport War Memorial Hospital
- Rowan Ward – Petersfield Hospital
- Jubilee House
- Rowlands Castle Primary Care Team
- Rowans – Community Team – possibly Portchester
- Charles Ward – Queen Alexandra Hospital

4. **Action**

- Form to be amended
- Take to Medicines and Prescribing Committee for 3rd July 03
- Commence pilot as soon as forms are available from 7th July 03
