Many thanks Jan. Sorry that neither can attend. Was there anyone else they would like to send? If not, we will ensure you receive notes from the meeting and the agreed actions.

Dear Judith

I'd like to give both Bob and Nigel's apologies for the Action Planning Day to be held on 8th July. I'm afraid they are both already involved in meetings which it is not possible to change, since they involve a large number of people.

Best wishes,

Jan
