Dear Mrs Rhodes

Re: **Code A**

Your letter to Helen Russell dated 12 September 2006 has been passed to me for information because you indicate that you will be seeking legal advice relating to your Aunt's fall on Sultan ward at Gosport War Memorial Hospital.

My purpose for writing is to advise you that East Hampshire, Fareham and Gosport Primary Care Trusts were disbanded on 30th September 2006, and that the successor organisation is called Hampshire Primary Care Trust. Should you wish to take this forward, you or your legal advisor can contact me at the above address.

Yours sincerely

Elaine Williams
