**Subject:** Interview Schedule 7 - 11 Jan 2002

**Code A**Dear **Code A**

Please find attached the final Interview Schedule for 7 - 11 January 2002, and a revised timetable for ward rounds.

Please note the following:

1. We have not received a response from **Code A** or **Code A** who are both ex-staff. A second letter has been sent and we may receive a response next week.
2. We are awaiting confirmation from **Code A**, **Code A** and **Code A** and are hopeful that we will hear from them next week.
3. Due to Dr Lord's interview on Monday afternoon her ward round will now be on Wednesday.
4. There is an additional interviewee: **Code A** Porter at Gosport War Memorial Hospital, who requested an interview with you. I hope that will be OK.

The attached Interview Schedule is correct at the time of sending, and I hope it wont change but if there are any further alterations I will, of course, notify you as soon as possible.

I will distribute copies of the Interview Schedule to all of the CHI team on Monday morning with an information handout and maps of the rooms you will be using.
