Dear Sir *John*

I am writing to you in my capacity as Chair of Gosport Medical Committee.

At the last meeting of Gosport Medical Committee held on 18.7.2006. the GPs on the Committee were asking about the future of the beds on Sultan Ward as these are remaining under the PCT whilst Dryad and Daedalus wards are being transferred to Portsmouth Hospitals Trust. Are the beds on Sultan ward going to be looked after by the GPs or are Consultant Geriatricians going to be involved? The reason they are asking this is because some of the beds there come under Elderly medicine.

As these changes are due to take place soon, I would be grateful if you could write to me to inform me of the changes. I can then pass the information on to my colleagues at the next meeting in October.

Yours faithfully

**Code A**
