guiding doctors*

Dear Mrs MacKenzie

**Dr Jane Ann Barton** ( **Code A** )

I write further to our previous correspondence and telephone conversations about Dr Barton.

I am now able to confirm that the information forwarded by Hampshire Constabulary concerning Dr Barton is scheduled to be considered on 29 - 30 August 2002 at a meeting of the Council's Preliminary Proceedings Committee. It will be for that Committee to decide whether the doctor should be referred to the Professional Conduct Committee on a charge of serious professional misconduct.

Should the Committee decide that no issue of serious professional misconduct is raised by these allegations, they may conclude the matter by issuing a warning or advisory letter to the doctor about her future conduct, or decide to take no action. Please note that the relevant Trusts and Health Authorities have also been notified. We will write to you again after the Committee meeting to inform you of our decision.

As the Council's deliberations at this stage of our procedures is private, I would ask you not to disclose this information to any other persons.

Yours sincerely
