Dear Caroline Dineage, With reference to the Health Secretary's announcement that he was happy to meet with families concerned with the recently published Baker Report, I would be most grateful for your help in ensuring that I am included for this meeting when arrangements are made. My Mother was Mrs Gladys Richards who died in G.W M. Hospital 15 years ago and we have been allowed an inquest this year. I note from the local paper recently that you have some knowledge of this long awaited report. I thank you in anticipation of your help in this matter.

Yours sincerely,

Lesley O'Brien
