I am the above named and I reside at the overleaf address. My qualifications are MB, ChB, FRCP (Glasgow), FRCP (London). I am a consultant in care of the elderly. I am employed by Portsmouth Healthcare Trust. Although I am based at the Queen Alexander Hospital I am often asked to give advice on the treatment of elderly patients in other wards and hospitals. I frequently attend the Royal Hospital Haslar to give such advice. I can see up to 10 patients a week in outside wards and hospitals.

I have been asked to comment about my involvement with one particular patient Gladys RICHARDS who was admitted to the Haslar Hospital in August 1998. I saw her after she had received a hernia-anthroplasty of her right hip following a fall at Glen Heathers nursing home. In laymans terms this was a semi-hip replacement.

I cannot remember Mrs RICHARDS as an individual patient but by referring to my letter dated 8<sup>th</sup> August 1998 (8/8/1998) (RIR/1) to Surgeon Commander SCOTT I can say the following.

When I saw Mrs RICHARDS on the 3<sup>rd</sup> August 1998 (3/8/1998) it was likely that she was physically well enough to be transferred to Gosport War Memorial Hospital for attempted rehabilitation.

Having re-read the above letter I believe there is an error on page two line 5. The word 'a' prior to little discomfort should be deleted.
