

Doctor is a scapegoat

With reference to your reporting of the 15-year-old Dr Jane Barton case, can anyone please tell me what Gillian Mackenzie and Lesley

MAY 3rd 2013.

O'Brien have hoped to achieve?
Has anyone ever considered Dr Barton in all of this? And who has picked up the bill in the end?

Two words spring to mind: 'scapegoat' and 'dementia'.

MAY 3rd 2013.
