Dear Caroline Dineage, With reference to the Health Secretary's (Mr Lamb) announcement that he will be happy to meet with families concerned with the recently published Baker Report, I would be most grateful for your help in ensuring that I am included for this meeting when the arrangements are made. My Mother was Mrs Gladys Richards who died in Gosport War Memorial Hospital 15 years ago and we have been allowed her inquest this year. I noted following a recent article in the local paper that you have had some knowledge of this report. I thank you in anticipation of your help in this matter.

Yours sincerely,

Lesley O'Brien.(mrs)
