Gosport hospital deaths to get public inquiry at last

Ten years after a 'death audit' was triggered by claims of opiate overuse, ministers are set to act

An independent inquiry into the deaths of dozens of elderly patients given "life-shortening" powerful painkillers at a Hampshire hospital will be announced by ministers within weeks.

The inquiry will address the findings of a damning audit into deaths at Gosport War Memorial Hospital published last month, a senior government figure told *The Independent on Sunday*.
