For Peta - With Prof. Ferner's reaction to Barton's Barrister re. diamorphine injections given by Beed – I took it up with [Code A] in the Court and he said he was driving Ferner down to Southampton Airport and would discuss with him – he did not . Now the bombshell this morning – keeps my brain active but I could do without it. Gillian

Thank you very much Peter – I have just received a telephone call from Prof. Ferner's Secretary. It is hardly surprising JW has not heard from Prof. Ferner – Prof. Ferner has just received a letter from JW dated 9th. May ! Do you have anybody listed at Blake Laphorn on your panel - I am ready for more battles Gillian . The transcript - I received a letter on Saturday stating I could have a CD – why did it need a letter when JW could have informed me in the e mail . Why had the missing statement not been obtained before from the Police – I have been going on about this for years !

Hi!

Letter is on its way today regarding the transcript.

Nothing yet from Prof Ferner

I wonder about going direct to Hampshire Constabulary now for disclosure and seeing what excuse they try this time in view of the inquest being over now.

John – what is the latest? Have you had any comeback from Prof. Ferner - how do we obtain Code A's statement or print-out of her police interview? Complaint re. Coroner's behaviour. Gillian
