Dear Mrs O'Brien

FREEDOM OF INFORMATION REQUEST REFERENCE NO: HC/000576/13

The following request for information under the Freedom of Information Act was received by the Freedom of Information Section at Hampshire Constabulary on the date listed above:

I need to provide the data of two pages of evidence collected probably in 1998/1999 and given to me by Detective Chief Inspector 7410 R.J. Burt - during the process of making a witness statement. I do not believe or know the enquiry at that time had a name - but years later the ongoing enquiry was known as Operation Rochester. I wish to relate to these two pages in the (at the) forthcoming inquest but can not do so if I cannot say when they were received and when (more importantly) they were sourced. Papers concerned. ref numbers AF/1/1/24 - AF/1/C/23

Your request will be considered in accordance with the legislation and you will receive a response within the statutory timescale of 20 working days, subject to the provisions of the Act. In the unlikely event that Hampshire Constabulary is unable to meet the 20 working day deadline, you will be informed as soon as possible and given a revised time-scale for response.

To be accepted, any clarification(s) to your request must be submitted in writing directly to the FOI Team at Hampshire Constabulary.

If your request requires either full or partial transference to another public authority, you will be informed. Should you have any further enquiries concerning this matter, please write or contact Rebecca Warhurst on telephone number **Code A** quoting the reference number above.

Hampshire Constabulary

Chief Constable Andy Marsh

Your sincerely,
