Dear Sir,

To introduce myself - I am the natural daughter of Gladys Habel Richards - deceased 21 August 1998. Under the freedom of information act I need to provide the date of two pages of evidence collated probably in 1998/1999 and given to me by Detective Chief Inspector 7410 R. J. Burt - during the process of making a witness statement. I do not believe or know if the enquiry at that time had a name - but years later the ongoing enquiry was known as Operation Rochester.

I wish to relate to these two pages in the (at the forthcoming inquest but cannot do so if I cannot say when they were received and when (more importantly) they were sourced.

I would be most grateful for your help in this matter as I urgently need the information well before the inquest and I cannot refer to the papers unless I can state when they were sourced.

Papers concerned. ref numbers.

AF/1/C/24 - AF/1/C/23.

I thank you in anticipation of your help in this important matter.
