Dear Lesley

General Medical Council - Dr J Barton

Please find enclosed the witness statement I have drafted upon your behalf. I am sorry that it has taken me a while to send it out to you.

As I explained to you when we met, the statement is yours and it is very important that it reflects your recollections. Please read it carefully and then let me know if you would like me to make any amendments.

As you will see when you read it through, I have put some comments in bold. Specifically, you said that you would send me some photographs of your mother and I will also need some more information about your subsequent complaints.

I look forward to hearing from you.

Yours sincerely
