Dear Lesley

General Medical Council - Dr J Barton

Thank you very much for your letter dated 17 March 2008.

I have made copies of the photographs that you kindly provided and I return the originals to you with this letter.

I note your comments that you would like to make some amendments to the statement I have drafted for you. Perhaps we could speak on the telephone in order to make these amendments? I do not want to rush you and appreciate that it will take you some time to go through the statement in detail, however I am facing some very tight deadlines and do need to finalise your statement ideally by the end of March.

I am in the office next week between 26-28 March. It would be fantastic if you could give me a call then.

I look forward to speaking with you.

Yours sincerely
