Hi Rachel,

I am aware that Mum sent these to you but hasn't heard anything? Perhaps you would be good enough to advise that you did receive them and what the view was re the apparent difference in notes?

In addition, I think she would like to come up to hear the medical expert but is not sure when he is on-I think you were going to advise her of the date?

Lastly I cannot remember if you provided her with a copy of all the charges against Barton-please could you confirm that you did and if not, please could you provide copy of, by return?

Many thanks in anticipation,

Peta

Rachel,

this is Peta. Mum has been trying to get hold of you but we appreciate you're busy!. She has a copy of notes of Barton's which the Police took copies of dated from 11 August 1998, copied by the Police in 1998 when the Police went to the hospital to investigate.

The copy of the medication sheet Mum was shown of Bartons notes at the hearing is NOT the same. This suggests that Barton has added to these notes as the copy that Mum had from the Police show that her (Barton) notes ended on this sheet on 14 August. On the one that Mum was shown at the hearing the entries fill the sheet which they did *not* do on Mum's copy that existed at the time.

I have suggested she send you the sheet by registered post so you can compare to the one you have in the documents as evidence.?

Please let me/and or Mum know soonest if you would like to see this as it could be significant?

Kind regards,  
Peta

Dear Peta

Your mum has asked me to send the attached documents to your email address. I would be most grateful if you could print off the attached and give it to your mum when you next see her.

Many thanks

Rachel
