Cllr G. Bartlett

Code A

Dear Councillor Bartlett

Further to our telephone conversation of 23 January I now enclose copies of correspondence regarding formal complaints raised with the Chief Constable on 20th November 1998.

Due to the very sensitive details in my statements etc. relating to the alleged 'unlawful killing' of my mother I am unable to send you a copy of the original letter and the statement taken on the 27th April 1999, but I am sure you will be as concerned as I am, over the inexcusable delay in dealing with the complaint relating to DC **Code A** and DI Morgan.

As I mentioned I have absolutely every confidence in DCI Ray Burt and cannot fault him in the manner he has re-investigated the case. The papers are now with the CPS London.

If you have any queries please do not hesitate to telephone me and if necessary I would be prepared to meet you and Peter Vigars (preferably in London).

Yours sincerely

G M MacKenzie
