Mrs Marjorie Bulbeck,

Dear Mrs Bulbeck,

DULCIE MIDDLETON (DECEASED)

Thank you for your letter of 30th March, 2004. Given the nature of the investigation, at present, I would not wish to comment on any individual case. However, what I will do is make sure that both the clinical and the investigative sides of the team investigating the care of a number of patients at Gosport War Memorial Hospital are aware of your concerns and will take them into account, together with the information you have provided me with as we review the cases.

Many thanks for writing to me; if you feel that there is any more information that the team should be aware of, then please do write to me again. Obviously, I will share all of the information you have sent to me with my colleagues.

Yours sincerely,

Code A
