Dear Mrs Bulbeck

Re; The late Mrs Dulcie Grace Middleton

I have now received the completed Consent for Agreement to release health records from the remaining Consultants who were responsible for your late Mother's care.

My understanding is that you would prefer to collect the records from Gosport War Memorial Hospital on your return from holiday. If you still wish to do this would you please contact my secretary on extension Code A who will be pleased to arrange a suitable date and time for you to collect the records,

I should like to confirm that a full set of health records were forwarded to the General Medical Council on the 13th may 2002.

Yours sincerely
