Dear Mrs Bulbeck

I am writing further to our telephone conversation this afternoon and to acknowledge receipt of your letter to Ian Piper dated 6th June, which was received today. Ian is currently on annual leave but I will ensure your letter and request for minutes of your meeting, is brought to his attention on his return.

In the meantime, as discussed, I will arrange for a doctor and nurse to go through your late mother's medical records with you. Unfortunately, the consultant who has agreed to do this is on annual leave next week. I hope to be able to set something up shortly after his return on 24th June.

I will contact you again shortly.

Yours sincerely
