*Dear Mrs. Bulbeck,*

Thank you for your letter of 15 July about the Gosport War Memorial Hospital.

Having kept in touch with the hospital over the years, having read the CHI Report and discussed it with the NHS Primary Healthcare Trust, I do not think that your comments are justified. Some very extravagant language has been used by a small number of people, but this does not alter the fact that a high standard of care is provided by a devoted staff.

*Having said that, I am of course  
sorry that you were dissatisfied with  
your mother's treatment.*

*Yours sincerely,*
