Dear Ms Cameron

Thank you for your courtesy in forwarding me a copy of the Trust's reply to Miss Windsor's complaint. I am very happy with the format and how it relates to my dealing with Miss Windsor and her mother.

I did wonder in passing whether you had approached Dr Green the Haematologist for his comments as he is named at several points in the letter?

Perhaps you could let me know the outcome of your letter even if it is just to say that no further action is being taken in a month.

Many thanks for your consideration in contacting me.

Kind regards

Yours sincerely
