Dear Dr Knapman

Please find enclosed a subsequent letter from Miss Windsor relating to her mother, Mrs M Windsor, Sultan Ward, Gosport War Memorial Hospital.

I think it might be appropriate to ask Portsmouth Hospitals to provide us with a report from their viewpoint and I wondered whether you would like to request this or if we, the Trust, should do that. I will ring you on Monday 16th October 2000 to discuss.

My apologies, I realise you have just returned from annual leave.

Yours sincerely

Fiona Cameron
Divisional General Manager
