Dear Mrs Ward,

I note your request to share the medical reports and statements with regard to your mother Mrs Norma Windsor with your local member of parliament Mr Peter Viggers. At this moment in time I would ask that due to the forthcoming Fitness to Practice hearing to be held by the General Medical Council on 8th June 2008 and any further hearings to be decided upon by the Nursing and Midwifery Council, and in order not to jeopardise the outcome of any such hearings the reports and statements remain confidential to yourself and are not shared with any third party.

If I can be of any further assistance please do not hesitate to contact me.

Yours sincerely
